STATEMENT | 2024**

**CIVIL CONSTRUCTION | MACHINERY HIRE | TURF SAND**

## COMPANY OVERVIEW

**Crawford Civil** is a family-owned business with over three decades of industry experience. Based in Tocumwal, we proudly serve clients throughout southern New South Wales and northern Victoria, specialising in civil construction, machinery hire, cartage contractors and turf sand supply.

Our modern, well-maintained and emissions-controlled fleet is crewed by experienced and professional operators, backed by our in-house mechanic and relationships with equipment manufacturers.

We have the capacity to scale to projects of all scopes and sizes, while our expert management ensures smooth project delivery from start to finish.

We take pride in being an all-in-one solution for your civil construction needs. Trust Crawford Civil to ensure all necessary works are seamlessly completed and ready for handover.

**Prepared for any challenge, we develop reliable solutions in close collaboration with our clients. Contact us today to see how we can best support your project.**

## OUR PURPOSE

Our mission at Crawford Civil is to streamline your entire project from start to finish. We handle everything, including utilities, roads, kerb suites, footpaths, concreting and NBN integration, ensuring your project is completely ready for handover.

While we do the majority of our work in-house, any required sub-contractors or onsite specialists are expertly managed by our team to provide a seamless experience and single point of contact for our clients. We organise, plan and collaborate with third parties so you don't have to, reducing stress and workload and allowing you to focus on other elements of your business.

Our experienced management and in-house mechanic keep operations on track and running smoothly, while our expert team works closely together to enhance efficiency and deliver a complete site ready for the next phase of your project.

Crawford Civil is your **one-stop-shop** for all your civil construction, machinery hire and turf sand needs.

Crawford Civil takes the hassle out of project management. Our expert team handles all the complexities, delivering high-quality results and allowing you to keep your focus elsewhere.

## OUR SERVICES

Whether you are planning an extensive civil project or seeking reliable equipment hire, Crawford Civil has the solutions you need. We collaborate closely with our clients, offering extensive support to ensure every project moves smoothly from planning to handover. Our experienced team, state-of-the-art machinery and full-scope service make us the trusted partner for all your civil construction, machinery hire and turf sand needs.

**Solutions for all your public or private infrastructure and development needs. Trust Crawford Civil to deliver quality, efficiency and reliability every step of the way.**

### CIVIL CONSTRUCTION

We cover all aspects of civil construction from subdivisions, road construction and utility installation to farm drainage and general maintenance work. We manage every phase of the project, ensuring seamless coordination and timely completion.

### MACHINERY HIRE

Operated by experienced professionals and diligently maintained by our in-house mechanic to ensure reliability when you need it most, our fleet of modern, emissions-controlled and GPS-equipped machinery is available for hire to help with any project.

### TURF SAND

We supply high-quality turf sand for golf courses, sports fields and large-scale landscaping projects. Our scalable services can accommodate jobs of any size, ensuring a perfect finish for all your turfing needs.

## OUR FLEET

Our fleet of modern, emissions-controlled and GPS-equipped machinery is meticulously maintained to ensure peak performance and reliability when you need it most. Operated by experienced professionals, our equipment guarantees precision and efficiency for every project. At Crawford Civil, we pride ourselves on our commitment to quality and excellence. Whether you need machinery for a small job or a large-scale project, our well-maintained fleet and skilled operators are ready to help you get the job done right.

- DEVELOPMENT
- SPORTS AND RECREATION
- AGED CARE
- AGRICULTURE
- PRIVATE OWNERS

## CLIENTS

At Crawford Civil, our clients are what drives us. We take pride in the strong relationships we have built with our clients over our many years of service.

## **CASE STUDY** PROJECT: Tocumwal Streetscape CLIENT: Berrigan Shire Council

### **THE CHALLENGE**

Crawford Civil was engaged to redevelop a stretch of the busy main street in Tocumwal, NSW. The project included extensive drainage, kerb, footpath and pavement works, a watermain extension and lengthy road reconstruction and asphaltting.

Throughout the project, we had to keep the main street open to both traffic and pedestrians while undertaking extensive construction work. The challenge was to balance the need for significant infrastructure upgrades with minimal disruption to the local community and businesses, while delivering the project on time and budget.

### **OUR SOLUTION**

We implemented strategic traffic management to maintain accessibility for the public, keeping half the street open at all times. Additionally, we provided extra walkways for pedestrian access, ensuring safety and convenience for all and allowing businesses to remain open.

### **THE OUTCOME**

Businesses remained operational, traffic flowed smoothly around work areas and pedestrian safety was maintained. The project was successfully completed with minimal disruption, while staying on time and budget.

- 
- 
- 1.4km of kerb and gutter constructed
  - 1.1km footpath laid
  - 11,519m<sup>2</sup> of road reconstruction and asphaltting
